HONGKONG, THURSDAY, JUNE 10, 1897.

THE WEST RIVER TRADE.

We regret to learn that although steamers have been running regularly since the 3rd instant from Hongkong and Canton to the newly opened ports on the West River not a single package of cargo has been shipped by the Chinese, the reason given by shippers being that no proclamation has yet been issued by the authorities clearly defining what duties, in the nature of Likin, etc., have to be paid on goods so shipped and where and how it is to be paid. Goods the property of Europeans have been fairly provided for under the recent proclamations on the subject of Transit Passes, but there has been no notification as to the position of Chinese-owned cargo shipped for Wuchow or for any intermediate ports by a foreign steamer. Hitherto such cargo going up the river in Chinese craft has paid at every barrier and station and was subjected to various illegitimate squeezes. On board a British steamer it cannot be so dealt with, as the merchant will either have to pay at the beginning or the end of the journey, or at both ends, and he does not know where or how much. There would appear to have been some remissness somewhere in not seeing to this at an earlier date, but the sooner it is looked into and definite arrangements made the better. Without Chinese cargo the opening of the river to British steamers will be a very unprofitable business. We understand that the British Consul at Canton has addressed the Viceroy on the subject within the last few days but so far nothing has been done. There are, however, so many conflicting interests to be reconciled that it will probably take some time before any definite rules can be proclaimed. There are not merely the Likin officials and revenue farmers of the two Kwang provinces and of several prefectures to be settled with, but there are also the competing interests on the river itself. The junkmen and launch owners will make a hard fight to retain a monopoly of the carriage of Chinese owned goods at least. The Chamber of Commerce should take up the question promptly, and wire to Peking urging efficient action. Surely some temporary arrangements might be made even although they might have to be reconsidered and modified at an early date.

FLOODS IN FRANCE.

LONDON, June 8th.

A disastrous flood has occurred in Volron, in the department of Ircle. The damage is estimated at half a million and thousands of the inhabitants are destitute.

THE HAWAIIAN DIFFICULTY.

Hawaii has refused the Japanese claim in connection with the exclusion of immigrants and it is expected that Japan will break off relations.

[An interesting and trustworthy statement of facts relating to the present difficulty was made by Chief Justice A. F. Judd, of Hawaii, in the course of an interview granted to a representative of the American Press Association. It is as follows:—"An attempt was made to secure the landing of 700 Japanese from the *Sashima Maru* on the 21st of May after the Collector of Customs had refused them that privilege, and we set on the case immediately. We decided that the decision of the Collector of Customs was final, and that we would not look into the qualifications of the labourers. As a result, the Japanese had to return to Japan on the steamer that brought them. The Minister of Foreign Affairs made a personal review of the qualifications of every man, and none among the number was released as a landing who had the necessary amount of money prescribed by the statute. As a result of all this the Japanese residents held mass meetings, and for a time there was a feeling of hostility. I do not think there will be any trouble, however, when the Japanese realize that no man was released as a landing who possessed the proper qualifications. What we most fear is that the Japanese, when they gain a numerical supremacy, will think they ought to have political supremacy in the islands. According to the census taken in November last there are now in the islands 24,407 Japanese, 31,616 Chinese, 3,500 Americans, 2,419 British, 1,432 Germans, 1,001 French, 378 Norwegians, 1,511 Portuguese, 455 South Sea Islanders and 600 of other nationalities. The Japanese are increasing rapidly, and if they continue to come in at the rate of 3,500 a week, as they did one week recently, it will not be long before they have overrun all this islands."

GREECE AND TURKEY.

A Greek memorandum to the Powers complains of Turkish atrocities in Thessaly and Epirus and urges the Powers to intervene.

PHILIPPINE AFFAIRS.

MADRID, June 1st.

To-day, in Congress, the Conservative Minister, Señor Romero Robledo, put the question of which he had given notice on political matters connected with the Philippines. In a long and eloquent discourse, he warmly defended General Blanco. He also delivered a well-deserved eulogy on the Marquis of Estella and censured the decree putting difficulties in the way of shipping.

The Minister for Foreign Affairs, Señor Castellano, and the Minister for War, Señor Aguilar, spoke in reply.

During the progress of the debate the majority of Congress frequently expressed dissatisfaction.

POLITICAL CRISIS IN SPAIN.

MADRID, June 3rd.

The President of the Council of Ministers, Señor Canovas del Castillo, has presented to the Queen his resignation from the Cabinet over which he presided.

The Council meets to-morrow, under the presidency of the Sovereign, to explain the motive of this action on the part of the Minister.

It is believed that Her Majesty will consult with the political leaders of all parties.

Extraordinary importance is attached to this crisis by the public, and it is considered probable that it will lead to a change of policy.

LOCAL AND GENERAL.

H. M. S. *Albatross* left here this morning for Shanghai.

COMMANDER Charles L. Napier has been appointed to H.M.S. *Narcissus*.

THE English mail is due here at noon to-morrow but may possibly arrive a little earlier.

MR. Greville, the new British Minister to Siam, had audience of the Queen Regent on the 30th ultimo.

DIAMOND JUBILEE subscriptions now amount to \$52,849.84. The subscription list will be closed on Wednesday, the 16th instant. *Vide* advt.

It is reported from Penang that a bi-weekly paper will shortly be started in that place to be called the *Strait Observer*. It is said that Mr. C. J. Skinner will be the Editor.

RAVENS are still steadily "booming," says the *Strait Times* of 2nd inst., to-day's quotation for 130. 100 shares is \$20.70, and for £1 fully paid \$30. And the likelihood is that the price will be higher.

THE Chamber of Commerce has received through the Government the following telegram from Tokio, dated 8th inst.:—"Medical inspection enforced from June 7th against vessels from Formosa, Shanghai, and other Chinese ports to the South."

MR. NAYLOR, one of the members of the Blackburn Commission, has had to resign his post, owing to severe illness. He is now on his way home as a convalescent and he is very deeply disappointed at not being able to continue the journey with his colleagues.

On Saturday next Mr. Sam Marks inaugurates his harbour excursions and he notifies that passengers can embark from 8 to 8.30 p.m. Refreshments will be obtainable on the launches and in the event of bad weather the tickets will be available for other trips. The idea is a good one and should not fail to prove popular in this pleasantly warm weather.

THE following passage from a private letter from Hongkong has been placed at our disposal, says the *Singapore Free Press*:—"That poor wretch Mrs. Caw is not having such a rosy time here as she had in Yokohama. Five days in the week she is picking oysters, has to wear prison garb, and her meals consist of rice and water only. I am told that everybody in Japan and China believes her guilty, in fact that there is no doubt she committed the crime, but all the same one can't help feeling sorry for the poor woman."

INTELLIGENCE has been received in Japan that the new N. Y. K. liner *Wakasa Maru*, ordered from England, left Antwerp for Singapore on the 28th ult. en route to Japan; and on the following day the *Kawachi Maru* was to leave Southampton.

AT 5 p.m. a large budget of Chamber of Commerce correspondence reached this office. In the minutes it is stated that, under a new arrangement with the Cable Companies, Reuters from 11th May supplies Hongkong with 1,250 words per month instead of 1,000 words as heretofore.

MR. CHAMBERLAIN has selected Mr. W. Nicol, M.A., LL.B., for the post of Queen's Advocate at Lagos, vacated by the promotion of Mr. Stallard. He has also selected Mr. T. A. Thompson, Judge at the Falkland Isles, to fill the vacancy created in the Magistracy of the Supreme Court at Trinidad by the death of Mr. C. F. Monier-Williams.

*. THE Superintress of the Italian Convent desires us to state that the drawing of prizes in connection with the institution, which was to have taken place on the 15th inst., has had to be postponed owing to non-receipt of the counterfoils of the tickets. The reversed lady returns her warmest thanks to those who kindly bought tickets and assures them that the counterfoils will be carefully kept until the drawing, of which due notice will be given.

THE manager of the Hongkong Hotel announces that seats can be secured in the balconies of the Hotel on the occasion of the procession of
